

FISCAL NOTE

HB 332 - SB 534

February 18, 2007

SUMMARY OF BILL: Limits the applicability of bonding requirements relative to sewage disposal systems to soil scientists, soil consultants and percolation testers whose approval has been suspended and later reinstated.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumption:

- Removal of bonding requirements for certain individuals or entities may hinder the ability to recover damages due to negligence or fraud in the testing, installation, or repair of sewer systems but will not result in any fiscal impact on state or local governments.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James W. White". The signature is fluid and cursive, with the first name "James" and last name "White" clearly legible.

James W. White, Executive Director
